

# ACTIVITY SHEET

Unscramble the words below and draw a line linking each word with the right clue (picture or description). Then put the first letter of each in the box on the right. The first one is done for you as an example. You'll find something small that makes roads on the rainforest floor!

1. OGGLNI  
LOGGING

Another word for jungle

2. PEHNEATL

Layer in rainforest where shrubs and saplings grow

3. TAN

4. OWRLFE

A country in Central America

5. NMAAIC

6. YRSRONEUDTE

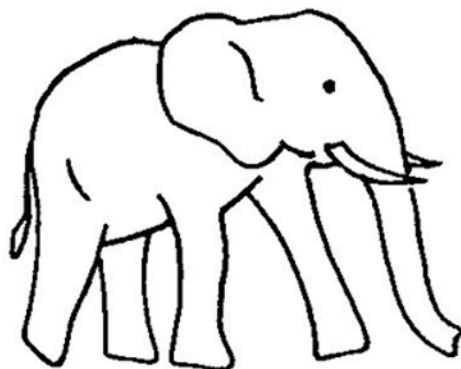

A very large snake that likes water

7. UNOATC

8. ERTE
