**FOLLOW-UP WORKSHEET**  
(for "Rainforest" booklet)

\*\*\*\*\*

1. What sort of climate do rainforests need to grow?
2. Why are rainforests important?
3. List 3 reasons why rainforests are being cut down.
4. Which two of these animals DO NOT live in South and Central American rainforests? Where do they live?  
  
Leopard  
Spectacled Bear  
Howler Monkey  
Orang utan
5. Can you make a *pledge* (promise) of 2 things you will do from today onwards to help the rainforest? Write them down below! Or, for a colourful pledge you can put up on your classroom wall, use the space in the middle of the colouring sheet and then colour in the picture.
