Have you participated in or organised any fundraising event before? Please give a detailed outline of your fundraising plans and the amount you hope to raise (minimum £1500).

How did you hear about Rainforest Concern's Golden Bond places?

Did you know, you can still raise funds and support Rainforest Concern with a London Marathon official ballot space. As Rainforest Concern charity marathon places are in short supply, if we have no spaces left, why not apply for a ballot space, and contact us after you are successful, and we will send you a fundraising pack and support you all the way to the finish line.

Information for Rainforest Concern charity space holders

When we receive your form and entry fee, we will send you a runners pack with all the information you will need as well as a Rainforest Concern running vest and fundraising tips. We will then register you with the London Marathon officials and you will receive an email from them with your log in details to their website. You will then need to log on and complete the online entry form.
