Thank you to all our school supporters!

As always we are delighted to see the effort and enthusiasm shown by schools in fundraising for Rainforest Concern. We’ve enjoyed hearing about pupils’ cake sales, rainforest cafés, rainforest calendars and many more brilliant fundraising days. Thank you and congratulations to all who have raised money to support out conservation work.

Particular thanks to:
- Springwood High School who donated £50
- Thomas A Becket Junior Year 4 pupils raised an amazing £820
- Callington Primary School raised £144
- Year 5 at St James’ Primary school donated £85.56
- St John’s Primary School in Keynsham raised £270 at their cake sale after a Rainforest Concern visit.
- Year 6 at Simon de Senlis Primary School held a rainforest café and raised £264
- Children at Cambridgeshire Educating Families group made their own cakes, bath bombs, games an biscuits to sell and raised £177
- King’s Oak Academy raised £50
- Sponsoring one acre of rainforest
- Millie Harrison was so inspired after hearing a rainforest talk at school that she raised £50 to sponsor one acre of rainforest all by herself!

Resources include worksheets and activity sheets, our rainforest booklet and copies of the Amazonas comic. We can also send printed versions on request. Please do send us your letters, artworks and photos and we will try to include as many as possible on our website and in the next newsletter!

Thank you to all our school supporters!

Projects

Leave a piece of paradise in your legacy

Any gift – however big or small – can have an impact on the future of the forests you leave behind, helping us continue our work to conserve threatened habitats.

Leaving a legacy to Rainforest Concern makes a profound difference to our work. In some cases, a legacy has even enabled us to establish new conservation projects.

Without your support, Rainforest Concern would not be able to carry out the work that we do. Leaving a legacy to us means that you will continue to play a part in our work far into the future; helping protect the world’s rainforests and the incredible biodiversity they contain, together with the indigenous people who depend on them for survival.
